

COVID-19 UPDATE

MARCH 15, 2020

The health and safety of CGA's staff, students, and their families is our number one priority.

In an abundance of caution, CGA will be closing its doors, effective Monday, March 16. All classes, team practices, birthday parties, open gyms, etc have been cancelled until further notice. Although we feel confident that we are able to reduce the risk of exposure to the Coronavirus, we are aware that we cannot eliminate it. We believe it is our responsibility to assist in the social distancing that has been recommended by the CDC and other health and governmental agencies.

Current recreational students will receive a make up for their final class of Session 3 that they will be missing this week. Session 4 will begin when it is determined it is safe to do so.

Please be safe and remain healthy! We look forward to seeing you soon!
